BRODHEAD.

Messrs. Dick and Jap Albright were in Mt. Vernon Tuesday.

Mrs. J. J. Smith, of Illatt, is very sick. Mrs. Virgil Martin has been ill but is better.

Rev. C. C. Wilson closed a week's meeting at Maretsburg Monday. Rev. Sipple filled the pulpit at the Methodist church Sunday and Sunday night.

Xenophon Emerick, the stone mason, has just gotten out a car load of rock from the quarry on G. E. Painter's farm. The rock is for Robert Collier, of Crab Orchard. Mr. C. will soon erect a large residence in Crab Orchard on the lot known as the Buchanan lot.

If every one in this neck of the woods raises tobacco who says he will, the markets will surely be glutted. Nearly every farmer says he is going to raise more or less of the weed, but the only one who has made any start toward doing so is P. E. Shivel, who has sown seed.

Granville Owens, president of the Hamsford Telephone Co., informs us that his company will soon begin the construction of a line from this place to the upper Negro creek neighborhood. At present a line is being constructed from Level Green through the Southern part of the county.

Evangelist S. A. Barnes, of Danville, will preach at the Baptist church Saturday night and Sunday. It is likely that a protracted meeting will begin Sunday. The Baptists of this place are without a pastor and next Saturday being regular monthly meeting, probably some one will be selected to serve during this year.

R. Nelson Owens, of Salem, Ind., was visiting relatives here and in Mt. Vernon. Mr. Owens is a native of this county but moved to Indiana years ago and began working in stone, at which he has been very successful. He now manages a large monumental establishment. He is a brother to Geo. Owens, manager of the Mt. Vernon Monumental Works.

Rev. A. J. Pike has been retained as pastor of Freedom church for the ensuing year. The regular meeting day has been changed from the second to the first Sunday in each month. Owing to the extremely cold weather the fifth Sunday meeting, which was to have been held at Freedom Jan. 31, was postponed until the 5th Sunday in May. Charley Pike, son of Rev. A. J. Pike, and a brakeman on the L. & N. between Corbin and Knoxville, sustained a very painful injury a few days ago. In stepping from a car his foot turned on a rolling rock, spraining his ankle badly. He is in a hospital at Corbin. His sister, Miss Eliza, is waiting on him. It is thought he can be brought home this week.

To The Voters Of Lincoln County.

A famous writer has said: "Our greatest glory consists not in never failing, but in rising every time we fall." I have sought the nomination for circuit clerk at your hands and have met defeat. I have made a clean fight from first to last, a fight entirely free from the influence of money or whisky. I have made the race strictly on my own merits and not on the merits of any one else. I have neither said nor done anything that would injure either of my opponents in the final election. I am more than grateful to the democrats for the support given me in the primary and promise them that I am for my successful opponent in November.

Very truly yours,

LESLIE ANDERSON.

Soldier Balks Death Plot.

It seemed to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 175 pounds." For severe Colds, obstinate Coughs, Hemorrhages, Asthma, and to prevent Pneumonia it's unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Penny's Drug Store.

The Sacramento Bee hits the nail on the head in a recent declaration that "the interference of the liquor interests in local government is largely to blame for the prohibition wave that is sweeping over the country, and which gains its strength not so much from abstainers as from intelligent drinking citizens, who see the danger of liquor control." If the whiskey men would live up to the law instead of defying it and attempting to run the government, there would not be that growing dissatisfaction with the traffic.

Pains of women, head pains, or any pain stopped in 30 minutes sure, with Dr. Shoop's Pluk Pain Tablets. See full formula on 2c. Box. Sold by Penny's Drug Store.

Leaders of the mob said they had not been given a speedy trial of the Negro as promised.

MIDDLEBURG.

James Whikle, who lives on Doe Creek, has been arrested on a charge of detaining a woman. His trial will take place at Yosemite on the 20th. The warrant was sworn out by Mrs. James Wells, a sister-in-law. The friends of both parties regret the affair greatly, as both are good citizens.

One day last week Major and Bob Estes started a wild cat on High Ridge, 2 1/2 miles East of here, and after chasing it for some time it attempted to take refuge in a hole in the mountains when Major, who was close at hand, seized it by the hind legs and held it until the dogs came up and killed it.

Miss Mollie Tilford is the guest of Miss Salena Jones and other friends here. Sam Jones and Will Watkins will go to New Mexico in a few days.

Miss Nara Reynolds, of Moreland, who has been visiting Mrs. J. T. Short at Yosemite, has returned home. Herbert Benson is confined to his bed, threatened with pneumonia.

The campaign for the republican nomination for circuit judge in this district is getting to be interesting before it is fairly begun. There are already three candidates and the fight has reached the "card writing" stage. Printer's ink is being used without stint and the papers will likely do a land office business before the battle is over.

The question of issuing bonds to provide suitable buildings and equipment for the graded school was voted on here Saturday and lost. The advocates of the question did little or nothing to win their fight, but the opposition was well organized and left no stone unturned in their effort to get votes. They came almost in a body and nearly voted out before but few of those favoring the proposition arrived. At the close the vote stood 66 for and 54 against. There were a few innocent spots indulged in, but for the most part good feeling prevailed. As the question is, the trustees will be compelled to rent the Middleburg Normal College building in which to teach the school for at least two years, when a vote can again be taken on the bond question. The board of trustees is composed of Dr. J. T. Wesley, Q. R. Jones, Jason Coffey, C. T. Luster and W. P. Wesley, and they are men of good business sense and have the welfare of the community at heart, so no one need fear that the best will not be done.

A large rock rolling on the L. & N. track near Wasita, Bell county, caused a freight wreck in which Brakeman Lee Berkely and Engineer Jas. Wright were seriously injured.

The roller skating business is dead almost everywhere. Lexington had two immense rinks which were liberally patronized for months but both have shut down for good and all.

The Secret of Long Life.

A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, enriches and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. It's a godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes W. M. Sherman, of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c. at Penny's Drug Store.

Mistress—I see you have only one chair in the kitchen. I'll get you another.

Bridget—Shure you needn't mind, ma'am. I never have any but gentlemen callers.

Hexamethylenetetramine

The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities, and avoid a serious malady. New Stanford Drug Co.

JUDGE M. L. JARVIS, present circuit judge of the Putnaski district, has announced for the republican nomination for Commonwealth's Attorney and Commonwealth's Attorney B. J. Bethurum for judge. In other words they will, if the voters permit, exchange positions. Judge H. C. Kennedy, of Monticello, candidate for Commonwealth's Attorney, has withdrawn from the race. Kennedy says he withdrew in the interest of harmony. Jarvis some weeks ago announced his candidacy to succeed himself and when Bethurum also announced for the office Jarvis threatened to give out some racy gossip about him. It has all been fixed up, however, and Bethurum and Jarvis are now hand in hand hunting office.

"The death of a dearly loved daughter, followed by the appalling tragedy which took from me a son who was the very apple of my eye, leaves me stranded and helpless and wholly unequal to any kind of publicity. Before I left home I cancelled all my speaking dates and resolved never again to appear before an audience," wrote Hon. Henry Watterson, editor of the Courier-Journal, to William Jennings Bryan, declining to speak at a banquet at Tampa, Fla.

As a result of recent raids upon blind tigers, by the police authorities of Savannah, Ga., that city is the possessor of about 20,000 gallons of whisky, to say nothing of a generous quantity of beer, wine, champagne, etc. It can neither be sold nor given away and there is a settled objection against pouring the liquor on the ground. Consequently the city officials are in a quandary as to what disposition to make of it.

AFTER the doors of the Senate were closed Tuesday for executive session, Senator Frye asked the democrats to agree to permit the Crum nomination to come to a vote on March 1. Failing to obtain the agreement, he withdrew the nomination for the present. It is understood by the Senate leaders that the case will not be again considered at the present session.

THE King of England gets \$3,000,000 a year, the Emperor of Germany \$4,000,000, and the Sultan of Turkey \$7,500,000. Roosevelt only gets the paltry sum of \$50,000. We pity the overworked, poorly-paid man and don't blame him for getting out of office.

MRS. JOHN HAUNT, of Bellefontaine, O., paid 10 cents to kiss Abraham Lincoln. She was a girl of 13 years in Philadelphia and money for a war fund was raised by giving school children this privilege.

EDITOR LOUIS LANDRAM, of the Richmond Climax, is laid up again with that bad leg, which has given him no end of trouble. The clever gentleman's legion of friends hope he will soon be himself again.

William Henry Jones has been confirmed as Postmaster at Glasgow.

PREACHERSVILLE.

Rev. William Holtzclaw preached an able sermon at the Baptist church. Mrs. W. C. Cummins is quite poorly. Mrs. Henry Blankenship is still on the sick list. Mrs. A. J. Thompson has been sick but is better now.

We noticed in the I. J. where the town clock had stopped running. There is a lad at this place who wants to buy the clock. He says the old clock will not do to put on our new court house.

Ballard and Thompson sold a cow and calf to Mrs. Wagers for \$40, and sold 12 yearlings to Chas. Lutes at \$4.15; also eight calves to M. F. Lawrence at \$16.25. J. P. Ballard sold a cow for \$26. William Naylor and Joe Lunsford delivered their hemp crop at \$5.35.

Misses Katie Payne and Alpha Naylor are visiting Mrs. Sam Ramsey at Point Leavel. Mrs. Eliza Tudor is visiting relatives here. Mrs. Thomas Naylor, of Hagaman, Ill., has joined her husband here. Mrs. John W. Cummins, of Tyrone, is expected this week to visit Mr. and Mrs. H. G. Cummins. John Payne, of Lebanon Junction, visited his brothers, F. W. and J. F. Payne. Ira Holtzclaw was over from Lexington to attend the burial of his grand-mother, Mrs. Louisa Holtzclaw.

Every Kentuckian, who can do so, should attend the Lincoln celebration at Hodgenville to do honor to the immortal name of our first martyr president. Doubtless his historic birth place in old Larue will be viewed by thousands of people, who will more fully appreciate his rise from humble obscurity to world-wide prominence—from rail-splitter to President. That Lincoln was born anywhere else but Larue county is an utter fallacy, and can not be substantiated by facts. If such be the fact, let learned research show it to be true and let history stand corrected.

The death of the aged Mrs. Louisa Holtzclaw cast a gloom over our community last Friday and came as a shock to many, although her death had been expected since she was so fatally burned. Deceased was a kind, christian lady and everybody liked her. She had been a consistent member of the Baptist church for many years. She was a loving, indulgent mother, and although all her children are grown, we know the dear old mother will be sadly missed. She was the widow of the late Elias Holtzclaw and is survived by four sons, William, John, Mason and Robert Holtzclaw; and four daughters, Mesdames John C. Peppies, of Stanford, L. C. King, of Hubble, and Mrs. Nannie Lawrence, of White Oak and Mrs. Sebastian, of Garrard.

POLITICAL.

Milburn Reynolds has been appointed postmaster at Benge, Clay county. By a vote of 203 to 101 the House of Representatives passed the bill providing for the government of the Panama Canal Zone and the construction of the canal.

A movement is on foot to have the Kentucky Legislature appropriate money to build a Lincoln and Davis memorial bridge across the Kentucky River at Frankfort.

Representative Scott, of Nashville, introduced in the Legislature a bill to permit eight-round boxing contests. If the bill passes it will open up that section to the pugilists.

County Clerk Hiram Smedley, of McCracken county, recently indicted, charged with an alleged shortage, resigned and County Judge Lightfoot appointed Eli Boone, a real estate dealer, to serve out the unexpired term.

A Washington correspondent intimates that the new administration will be forced to let Senator Blackburn out of his Panama job and that he will come back to Kentucky to contest with Senator Paynter for the succession. It is also intimated that Senator McCreary will shy his castor into the ring also.

CHURCH MATTERS.

Rev. D. M. Walker will preach at Omer Chapel, Rowland, next Sunday afternoon at 2 o'clock.

Rev. W. H. Hopper, of Louisville, will preach at the Presbyterian church Sunday morning and night. A cordial welcome to all.

The Northern and Southern Methodist churches were both lost in recent fires at London, and the congregations of the two are talking of uniting and erecting a handsome structure as a union church.

Dr. R. H. Crossfield, of Lexington, will preach at the Christian church Sunday night. It will be remembered that the doctor held a great meeting at that church some two years ago. He is now president of Transylvania University.

Taking the claims of all the churches there are in the United States \$3,000,000 christians, including men, women and children. This leaves 50 million unaccounted for. Can it be that that number is headed for the devil in this land of churches and freedom township? God according to the dictates of one's own conscience?

Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. It is the weak nerves that are crying out for help. Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, find their weakness, not in the organs itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone is futile. It is a waste of time, and of money as well. If your back aches or is weak, if the urine is scanty or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative. It is a medicine that will reach the kidneys and the nerves that control them. Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.

KRUEGER & SON GET CONTRACT.-The contract to build a new court house for Lincoln county has virtually been awarded to Fritz Krueger & Son, of Mt. Vernon, for the sum of \$35,045. Their bid was accepted but with the understanding that their work at other points in the State showed that they could fulfill the contract acceptably. Squire James McKechnie and Mr. J. R. Powell were chosen a committee to visit towns where Krueger & Son have had contracts and inspect their work and if it proves satisfactory the Mt. Vernon contracting firm will build our court-house. There were a dozen bidders and their figures ranged from Krueger & Son's bid to \$40,290. The court-house will be a magnificent brick building and we are glad to know that the committee decided to have two wings. Work will begin on it after the February term of court is over and it is hoped that it will be completed for the November term. Mr. Fritz Krueger, the senior member of the successful firm, came to Lincoln county from Germany 24 years ago a very poor man but by hard work has amassed quite a snug fortune. He moved to Mt. Vernon 15 years ago. He runs a big store there but devotes the greater portion of his time to contracting. He built the Leslie county court-house and two stores at Hyden, built large school-houses at East Bernstadt, Manchester, Harlan, Mt. Vernon, Inez, Prestonburg and other points. We have known him for many years and have confidence in him both as a man and a contractor.

THE moving picture show at Walton's Opera House continues to draw good crowds. The Passion Play Tuesday night was witnessed by hundreds of people who went away greatly pleased. It will be presented again to-night, Friday. A good bill was advertised for last night, Thursday, including a wrestling match between Claude Bibb and Lloyd Perrin.

WILL CONTEST.-Mr. M. S. Baughman will contest the nomination of Mr. W. L. McCarty, who on the face of the returns was nominated for sheriff in the primary Saturday by a majority of 14. Mr. Baughman charges many irregularities, such as voting republicans and men who do not live in Lincoln county. He has engaged the services of Messrs. P. M. McRoberts and George B. Saulley to represent him.

PROF. AND MRS. J. W. IRELAND entertained the faculty of the Stanford Graded School at an elegant dinner party on Wednesday evening. The dinner was beautiful in every appointment, the decorations of maiden hair fern and pink carnations being very effective. A silver candelabra with pink shades and the fern leaves radiating from the center, made a beautiful centerpiece. The place cards, the work of the hostess, were very artistic. Covers were laid for 11, including Misses Bailou, McKinney, Dunn, Fottro, Eaton, Palmer, Adams, Mrs. Phillips, Prof. Wigginton, Prof. and Mrs. Ireland.

HURRAH FOR DINK!-Away back in the last century when we lived in Stanford, a good old democrat and clever citizen, with the rather unusual name of "Dink" Farmer, took it into his head that he would like to be jailer of the fine old county of Lincoln and thereupon shied his castor into the primary ring for the contest about to be pulled off. The election day came and Dink was a few votes shy of the nomination, but he good naturedly accepted the arbitrament of the preliminary passage at arms, declared himself for the nominee and announced his candidacy for the office four years hence. How many times he has been a candidate before the primaries this deponent is unable to say, but they are many, very many. In the primary Saturday he was again, as usual, a candidate for the jailer's place and we are glad to state, came under the wire a certain winner, for which everybody who knows the persistence and quality of his democracy will rejoice. The result proves that if you don't at first succeed, try, try again, and you will get there if, like "Dink," you don't put over defeat, but accept it with good grace and pull off your coat for your successful opponent. Hurrah for "Dink!" May he get there with both feet and warm them for the four succeeding years at the fire in the jailer's handsome residence. -State Journal, Frankfort.

J. M. CRESS phoned us yesterday that John C. Peppies got 78, instead of 13 votes in Crab Orchard precinct No. 1 in his race for assessor. This raises his majority to 281.

DOES it pay to advertise? Well, we should say it does. John C. Peppies ran a big display advertisement in the I. J. and defeated a field of seven in the race for assessor by 216 votes.

The Indiana House of Representatives passed to engrossment both the Kieckner and Tomlinson bills which provide for the repeal of the county local option law. The former is the Democratic platform bill which substitutes township and ward local option and the latter a compromise measure providing incorporated town and city ward option.

Two prominent Chicagoans, Charles G. Wicker and Ray Hackney, and a guide, William Phillips, of Naples, Fla., were drowned in the Gulf of Mexico, near Naples, Fla. A sailboat in which they were cruising capsized.
